A WORD FROM THE SHOW MANAGER

It is my great pleasure to present you with our review of the 2011 Edition of the Ottawa Home & Garden Show *presented by RE/MAX*.

I'd like to take this opportunity on behalf of my team to acknowledge the generous presence of all our exhibitors and partners, who believe in the Show and recognize it for the unique business it is – and has been for over 30 years!

Our mission and goal is to make the Ottawa Home & Garden Show an occasion where you, as a business partner can take part in a successful event that is specifically geared toward your target clientele and enables you to reach your visibility, sales and promotion objectives.

2011 was a special year for us as this was the last year for our event to be held at Lansdowne Park. There is no question that Lansdowne Park has served us well, and we are grateful for this. Although we will be leaving Lansdowne Park after many successful years, like you, I am excited about the new facility we will be moving into for 2012. Located at [4899 Uplands Drive in Ottawa](#), the CE Centre is next to Ottawa's Macdonald-Cartier International Airport and is just minutes from downtown Ottawa.

We know the popularity of the Ottawa Home & Garden Show is anticipated to grow even more next year. The Ottawa home & Garden Show draws over 30,000 people from the Greater Ottawa Region desperate to become inspired, enlightened, informed and energized with helpful advice, thousands of solutions and the coolest new products. And what better way to do it than in a brand-new location? We hope you will continue to partner with us for many editions to come as together we strive to promote home products and services.

Happy reading!

We maintained the incredible growth registered in 2010 in visitor traffic and were thrilled by it. This large attendance allowed our approximately 350 exhibitors and partners to connect with a targeted clientele who came to discover everything new in renovation, construction, landscaping and decoration.

The Ottawa Home & Garden Show has welcomed over the years between 27,000 to 32,000 visitors making it the largest and most attended home show in Eastern Ontario.

CUSTOMER SATISFACTION

Being that the Show's image is a reflection of that of its exhibitors and vice-versa, we were extremely happy to learn that the level of customer satisfaction achieved with respect to the quality of show vendor exhibits and helpfulness was 82%
